

Dear Potential Volunteer:

- 1. If you are a computer science student willing to give back to your community.**
- 2. If you are willing to give up two hours of your time one day a week.**
- 3. If you like coding and programming.**
- 4. If you like to work with cyber security and computer application software.**
- 5. If you are comfortable working with high school students.**
- 6. If you are willing to get a background check, take an online Child Abuse Safety training, and take an in-person, "Bridges Out of Poverty Training."**

Contact:

Lawrence Lindsey, Director Back to Basics Youth Education Center, 937-963-2518. Please visit our website at www.lbtbyec.org.

We are a free after school program, non-profit 501c3.

We are currently located at 120 W 2nd Street, Dayton, OH. 45402, in the Liberty Tower, across from the Schuster Parking Lot.

We have a computer lab with twenty laptops.

In March 2023 we are moving our lab to Thurgood Marshall High School in Dayton, Ohio, to have access to more students.

Between now and March 2023, Saturday classes will be held at the Liberty Tower location from 1:00 – 3:00 PM.

We want to give back to our Dayton Public School Community. Let us get to work!
